New to the PASS System: The Reading Runway

The PASS System contains web-based programs that Louisiana students can use to learn new skills and take practice tests.

- **The Reading Runway**
Reading tutorials for Prekindergarten–grade 3 students
- **Newton's Classroom**
Mathematics tutorials and assessments for grades 1–8 students
- **PASS**
Practice tests for LEAP, iLEAP, GEE, and EOC with instructional feedback for grades 3–12

If you are new to the PASS System, click here

Welcome, **laurenjoiner**.

**Please be sure to write down your
Screen Name and Password!**

Your Screen Name: **laurenjoiner**

Your Password: **ce5232**

Continue

Why should I keep track of my Screen Name and Password?

- You can check your scores and look back to see what your previous scores were.
- You will be able to find out your score on hand-scored extended response questions and essays, which take a couple of days to score.
- You will be able to explore new "PASS destinations" on the map at the end of each PASS test you take.

You will get a screen with your login information. Write this down or print it!

The Reading Runway

- Reading tutorials for Prekindergarten–grade 3 students
- Animated lessons teach key literacy skills
- Interactive activities provide immediate feedback
- Includes phonemic awareness, phonics, fluency, vocabulary, and comprehension
- Designed for independent use

These are the choices once you click “continue”.

Newton's Classroom

- Mathematics tutorials and assessments for grades 1–8 students
- A fun way for students to learn or review basic math skills
- Animations and interactive activities
- Includes instruction, practice, and assessment
- Aligned to grade-level expectations

NOTE: Students in grades 1–2 will need help from a parent or teacher.

PASS Practice Tests

- Practice tests with instructional feedback for grades 3–12 students
- A fun way to prepare for LEAP, GEE, iLEAP, and EOC
- Includes English language arts, math, science, and social studies
